

NOTICE REGARDING 1095-C FORMS

Due to new federal legislation to reduce paperwork, there are changes as to how Form 1095-C will be distributed this year. Previously we were required to automatically provide the form to employees, however, due to changes in the law, we are now only required to furnish the form upon request. Form 1095-C is not needed to file your taxes, but if you wish to have a paper copy, it will be provided to you. You may request a copy by contacting us by one of the methods below. Please indicate if you wish the form to be mailed to you or couriered to your office to be picked up. The form will be provided within 30 days of your request.
